

PASTIMES ON NEW YEAR'S

Horse Races and Bicycle Contests at Kapiolani Park.

Track in Excellent Condition—Trophies and Those Who Will Contest for Them.

Now that Christmas is over interest is being centered on New Year's day and the events that are to transpire. Each and every one is looking forward to the best way of spending the day, and it is needless to say all sorts of pleasant occupations will be indulged in. Perhaps the races at Kapiolani Park are claiming the attention of a larger proportion of the community than any other event of the day. At any rate, the sports will all turn out unless some unforeseen accident occurs.

The track is in excellent condition and the horses in the very best of fettle. All the racing events will be worth seeing, as the horses to run are nearly all new blood and have records to make.

But the horses will not be the sole attraction at the park on New Year's day. There will be a good representation of sports out to see the bicycle races. Bicycling in Honolulu has come to stay, and each time a bicycle race takes place there seems to be manifest more enthusiasm than on any previous occasion of the kind. For a week or more the wheelmen who will take part in the events have been spending part of the afternoons in good still training on the track. It is worthy of notice that Ruby Dexter, one of Honolulu's crack riders, will be on hand again. Following are the three events to claim the attention of cyclists:

ONE MILE HANDICAP—Hawaiian Hardware Trophy (\$35 suit of clothes).—R. Dexter, G. Angus and D. G. Sylvester, scratch; A. W. McGrew and H. Giles, 10 yards; T. King and J. Silva, 40 yards; E. Paris and R. Southgate, 45 yards; P. Lishman, 55 yards; A. B. Giles, 75 yards; S. Johnson, 90 yards; G. A. Martin, 100 yards.

ONE-HALF MILE JUVENILE RACE.—Boys under 16 years. Chas. David Gold Medal—A. S. Willis, scratch; Fred Lauke, 5 yards; Sam the Boot-black, 30 yards; E. M. Crabbe, 50 yards; G. A. Martin, scratch. Martin was put at scratch on account of being over 16 years of age according to the Y. M. C. A. entry book.

FIVE MILE LAP RACE.—E. O. Hall Trophy (silver punch bowl)—G. Angus, H. Giles, P. Lishman, T. King, R. Dexter, D. G. Sylvester, E. Paris, S. Johnson and A. W. McGrew.

NEW YEAR'S CONCERT.

An Excellent Program Arranged for the Occasion.

The committee in charge of arrangements for the Wednesday evening concert of the Y. M. C. A. in aid of the building fund have been laboring zealously for the success of that event and as a reward for their pains have secured the following excellent program, in which prominent musicians of the city take a leading part:

1. Overture—Y. M. C. A. Orchestra.
2. Gymnasium Exercise—Boys class.
3. Vocal Solo—Miss Richards.
4. Violin Solo—Miss McGrew.
5. Chorus (Hawaiian)—Y. H. I. Glee Club.
6. Selection—Y. M. C. A. Orchestra.
7. Recitation—Mrs. Thos. Black.
8. Indian Club Swinging—D. K. Unnana.
9. Vocal Solo—Miss McGrew.
10. Chorus (Hawaiian)—Y. H. I. Glee Club.
11. Selection—Y. M. C. A. Orchestra.

Central Union Sunday School.

The Sunday school of Central Union church will be given a good time tonight in the church parlors. All day yesterday willing hands were busy decorating and today the final touches will be put on. The doors will be opened at 6 p. m. and the evening's program started half an hour later. There is a genuine surprise in store for all children who turn out.

A Significant Departure.

With the departure of another year when a review is made of the condition of affairs, it is only right that some thought be given to the physical body which enables everyone to battle with life's problems and figure for themselves the profit or loss on the trial balance sheet. Though the bank account may be large and each one's material gain be great, it would not be surprising if it suddenly dawned upon many that good health has been greatly impoverished by the low condition of the blood. It is in this state that the lactic acid in the vital fluid attacks the fibrous tissues, particularly the joints, making known the local manifestations of rheumatism. Thousands of people have found in Hood's Sarsaparilla the great blood purifier, a positive and permanent cure for rheumatism. HOBSON DRUG CO., wholesale agents.

KAMEHAMEHA ALUMNI.

Delightful Luau Furnished Friends on Christmas Eve.

There is no body of young men in the city so worthy of the praise of the community as the graduates of Kamehameha who have banded themselves together into an Alumni Association, now presided over by Fred Beckley. They are wide-awake fellows who believe in progress, both in theory and practice. They are young men, loyal to the spirit of education and likewise to the memory of the founder of the institution from which they graduated. They are in the habit of pushing every point that might in any way advance the interests of and lend tone to Kamehameha school. One example of this was given on Christmas eve when the graduates living together in a club on Queen street furnished some of their friends with a most delightful luau. To this were invited a number of young ladies from Kawaiahao Seminary and other people—comprising in all about seventy-five. All the work was done by the boys themselves, even to waiting on the table. The club house never shone to such good advantage as it did upon that night. The decorations were artistically arranged and brought pleasure to the eyes of even the most critical. The repast was a sumptuous one and the pleasure of it all was enhanced by the thoughtful disposition of the various guests, each one finding himself or herself next to a cordial friend.

Before the beginning of the luau President Beckley made a few remarks on the history of that organization from its very trying beginning to its present permanent position. During the progress of the luau songs were rendered in the next room. One of the events of the evening was the presentation of the Alumni colors by a committee of the Association. In one part of the room flags had been draped so as to cover a niche in the wall. At the proper time these were drawn aside and the colors disclosed. The appearance of these was the signal for a round of enthusiastic applause, coupled with the rousing Alumni yell. Those who were present on the occasion say that it was one of unalloyed pleasure from beginning to end.

Has it occurred to you that a picture is one of the best things to make a Xmas present of?

Everyone enjoys looking at a beautiful thing and what thing of beauty can convey more to the mind than a picture?

Let at least one of your gifts this year be a picture, no matter how little they cost, they will cover more ground than anything else you can buy.
